X-FACTOR

OFF-ROAD

Combine luxury and durability, and you have the 2022 X-Factor Off-Road Range. Designing luxurious vans with sophistication and practicality in mind, is second nature to the team at Franklin Caravans, and the X-Factor is no exception.

Built for extended touring, this feature-rich van sits above 16" high, polished alloy wheels, with ALKO Enduro X Independent Suspension, and a durable Supergal chassis. Ranging from a convenient 17'6" with no compromises, through to a 23' spacious, east-west bed layout, you can enjoy a comfortable ride when towing around Australia, and even more comfort when inside your new van. Take advantage of the latest X-Factor Off-Road and Get Connected to Your Lifestyle.
